Decree.

In the Court of the Civil Judge, Sr.Dn., Bijapur.

In the

Civil Suit No. 193 of 1950.

1. Laxman Raojirao Zingade, age 25 years, profession pleader, Residence Neharu Road, Bijapur, District Bijapur. Plaintiff.

Vs.

1. The Registrar of Co-operative Societies, Poona.
2. The Wilson Anti-famine Institute having its registered office at Bijapur. Defendants.

-Suit received on : 10-3-1950.

Suit Registered on: 17-3-1950.

Claim Rs. 219-11-0.

For pleaders fees and jurisdiction Rs. 5350/-.

The above-named plaintiff begs to submit as under:-

1. The plaintiff is the owner of the properties described below situated at Bijapur Taluka, Bijapur District:

(a) One land bearing R.S.No.333A/2, 7½ gunthas, assessed at Rs.2-10-0 situated at Mahal Bagayat, Bijapur valued at Rs. 4000/-.

(b) All the properties and articles in the cycle shop running under the name and style of L.R.Zingade, Cycle Dealer, Darbar Galli, Bijapur, valued at Rs. 800/-.

(c) All the shahabad stones in the stone store running under the name and style of L.R.Zingade, stone store situated at Darbar Galli Bijapur valued at Rs.50/-.

(d) All the moveables in the house of the plaintiff in Darbar Galli at Bijapur, valued at Rs.600/-.

2. On 12-3-1949, the properties mentioned above were attached by the Revenue Authorities at Bijapur under the orders of the District Co.operative Officer, Bijapur who is the subordinate of the defendant No.1. The orders passed behind the back of the plaintiff are alleged to have been made in Arbitration Case No.A.B.N.255 of 1949 at the [illegible]

in which the plaintiff is not made a party. The properties mentioned in para 1 of the plaint have been attached for the recovery of the alleged amount of Rs.32000/-.

3. The plaintiff asserts that this attachment made by the Sub-ordinate of the defendant is illegal and contrary to law as he has no authority to deal with the properties belonging to the plaintiff.

4. The plaintiff served a registered notice on the defendant No.1 on 1-8-1949 as per provisions of section 70 of the Bombay Co.Operative Societies Act, 1925 and of section 80 of the Civil Procedure Code 1908, claiming that the attachment was illegal and that a declaration be made to the effect that the properties were not liable for attachment and that the said Subordinate of the defendant to be restrained form dealing with the above mentioned properties.

5. The defendant No.1 has refused to do so on 22nd of August, 1949. Hence the plaintiff has bought this suit for a declaration that the attachment effected on 12-3-1949 of the properties mentioned in para 1 above is illegal and ultra-vires and for an injunction restraining the defendant to deal with the properties to the prejudice of the rights and interest of the plaintiff.

6. The orders of attachment made by the Arbitrator are void ab-initio as plaintiff was not and could not be a party to the said proceedings. The arbitration could only be between the members of the society and the society. As plaintiff is not the member of ~~th~~ defendant-No.2 the orders passed by the arbitrator are not binding on the plaintiffs.

7. The alleged proceedings in which the said orders are said to be passed are illegal, ultravires and void as they are not between a member of the society and the society. Hence the order of attachment are illegal and void.

8. The cause of action for this suit arose on 12-3-1949 when the attachment in the city of Bijapur within the jurisdiction

9. The suit being one for setting aside the attachment of the properties mentioned in para 1 of the plaint and injunction the Court fee on the land R.S.No.333A/2 described in para 1(a) of the plaint is paid on Rs.10-11-0 being 7½ times of its assessment under section 7(viii) of the Court fee Act. Since the amount 7½ times of the assessment of the land is less than the amount for which the land is attached. As regards the moveables properties mentioned in para 1(b) to 1(d) fixed court fee of Rs.15-0-0, together with surcharge of 25 percent viz.Rs.10-12-0 is paid under article 17(viii) of schedule II of the Court fee Act making the valuation at Rs.200/-. In all a Court fee of Rs.21-2-0 has been paid including a relief for injunction valued at Rs.5-0-0.

The valuation for the purpose of jurisdiction and pleaders fee is Rs.5350/- being the market value of the suit properties.

10. This Court has jurisdiction to try this suit as the parties reside within its jurisdiction and the cause of action also arose within its jurisdiction.

11. The plaintiff prays.

1. For a declaration that the attachment effected regarding the properties mentioned in para 1 of the plaint on 12-8-1949 is illegal and ultravires and that the same is not binding on the plaintiff.

2. For an injunction against the defendants restraining them from dealing with the suit properties themselves, or through the arbitrator in Arbitration case No.A.B.E.209 of 1949by passing any further orders in respect thereof.

3. For the costs of this suit.

4. For permission to amend the plaint if and when necessary.

This suit coming for final disposal on

Bijapur in the presence of Shri K.H.Deshpande pleader for the plaintiff and Shri A.C.Angadi pleader for deft. No.1. and Shri S.T.Patil for deft No.2 it is ordered as below.

It is hereby declared that the plaintiff is the owner of 1/3rd share is not liable for attachment for the dues of R.R.Zingade. The defendant No. 2 is restrained from proceeding against the said 1/3rd share of the plaintiff in the suit properties. The plaintiff do pay the costs of defendant No.1. The plaintiff and defendant No.2 do bear their own costs. The suit against the defendant No.1 is dismissed.

A In the Court of the Civil Judge,Sr,Dn, Bijapur,

At Bijapur.

Civil Suit No.278 of 1951.

1.Shripad Venkatesh Kulkarni, age 57 Occupation pensioner,residing at Bijapur,peth Jorapur, Adaki Galli.

2.Govind Venkatesh Kulkarni,age 60 Occupation and residence of do. ---------- Plaintiffs.

Vs.

1. The Bombay State. ---------- Defendant.

Suit filed on 18-8-1951.
Suit registered on,29-8-1951.

Claim Rs. 20060-0.

Herein the plffs Nos.1 and 2 above named beg to state as followes:-

The entire land R.S.No.136 of Ahirsang in Indi tal now divided into two strips viz-

R.S.No.	A.G.	Assessment
136/1	3-34	4-9-0.
136/2	3-27	4-7-0
	0-7	

is an ancestral family land of the plffs who are divided full - brothers-Strip R.S.No.136/1 has fallen to the share of plff No.2 and the other Strip R.S.No.136/2 has gone to that of plff No.1 as shown in the map annexed to the plaint a Govt Nala has been running close to and adjacent to the western boundary of the sui land from time immemorial.As time has passed on,the flow of the Nala has gradually changed its course, further and further to the north leaving behind silted up or alluvial land adjoining the various lands of the reparian owners including that of the plffs. Since 1910 Govt granted the respective alluvial portions to the respective adjoining land owners of S.No.141 to 145,148,151, 152, and 153 etc.,The alluvial portion adjoining the suit land of plffs in all measures only 20 gunthas i.e. to say 16 gunthas adjoin R.S.No.136/2 and 4 gunthas towards R.S.No.136/1.Therefore the pli are under the law entitled to make temporary use of the alluvia

so formed until it exceeds 1 acre in areas, in which case the accretion will vest in Deft-Govt subject to the preferential rights of the plffs.Accordingly the plffs have been making actual wahiwat of the suit alluvian measuring 20 gunthas since 1932,when the prickly pear with which that area was over-grown disappeared due to natur causes.

2. In about 1940 Govt took up the question of disposal of the suit alluvia of 20 gunthas marked as A B C D in the map annexed to the plaint; The District Inspector of Land Records and the Prant Officer Bijapur Division recommended that the alluvian should be granted to none ise than the plffs.But under a wrong impression that the newly formed area was not formed by gradual process but by sudden abandonment of its bed by the nala,the Prant Officer in his No.I.G.L.559/1947 ordered the plffs Nos 1 and 2 to pay an occupancy price of Rs.160/- and Rs.40/-for S.Nos. 136/2 and 136/1 respectively failing which it was further ordered that A B C D would be constituted in to a separate strip and be dispc favour of any outsider by public auction.Plffs being aggrieved by the above order preferred separa e appeals to the Collector of Bijapur who summarily rejected the same on or about 23-1-1949.Against the Collector's order the plffs thereafter filed appeals to the Commissioner S.D. who without understanding the real situation of the nala, the alluvia and the maharwada, dismissed the appeals by his order L.N.D.A.P. dated 19-2-1950 solely on the ground that the grant of the suit alluvian to the plffs would divert the flow of the rain water to the Maharwads lying at a low level and that for that reason,the Mahars of Ahirsang also are

opposed to allowing the encroachment of the nala-bed in question. This view of the COmmissioner was entirely baseless.In fact the Maharwada is on a higher level of at ~~xxxx~~ least 25 feet than the nala and A B C D portion.The Maharwada is quite far away and the nala water, even in its highest flood never ~~xixxdx~~ rises to or goes onwards the said Maharwada.There was no genuine complaint of any of Mahars. ~~TkexXxXiLR TkexOkxTkexD:Ilx~~

The D.I.L.R.and P.O. could not have possibly accorded their sanction for the grant of the site to the plffs,if there was any such apprehens in the hope that the Govt would in revision at least realise the true facts and setaside the Commissioner's order the plffs submitted petition after petition to the Govt, but without any avail.It appears Govt.~~fixx~~ finally ordered, in about June 1950,that ho plot A.B.C.D. should not be disposed of by publicauction and be kept ~~xpxn~~ open.

3. Noe the Deft's local officers and agents, are vindictively ~~xhx~~ obstructing the plffs in their use and occupation of the suit - alluvian A.B. C.D. great loss will be caused to the plffs in they are prevented from sowing food grains in the rich and fertile alluvian to which they are legally entitled to. The Revenue authorities have no right to interfere with the temporary use of the alluvian by plffs until it exceeds one acre.Hence the orders of the Revenue Officers whatever they are relating to the suit alluvian are illegal and ultra vires and not binding upon the plffs.As the Local Officers are wrongfully obstructing and preventi g peaceful enjoyment and possessio of the plffs and are likely to do so in future,the plffs have brought suit to restrain the Deft,through its Officers and servents by injunc not to interefere with the use of the alluvial portion A B C D until it exceeds 1 acre in area.

4. The cause of action for this suit arose, on or after 21-6-1950 when Govt rejected the plff's revisional application and issued its ow orders to their officers ,who begun to obstruct the plffs.

5.The plffs have given ~~xxxxxxix~~ due notice of this suit to the Deft as required by Section 80 of the Civil procedure Code.

The suit land and the plaint alluvian are situate within the local limi of th Court and as this is a suit against Govt.,this Court alone has special jurisdiction to try this suit.

7.The valuation is as under :-

As plffs claim declaration that they are entitled to the temporary use of the su't alluvian and a consequential relief of perpetual injunct on against deft, that deft's officers and servants be estrained f om ~~xx~~ interferring with or in any way obstruct'ng the plffs pe.ceful enjoyment and occupationnof the alluvian, a fixed Court fees of Rs.10-12--0 plus 0-~-0 i.e. in ll Rs.10-4-0 have been paid. The valuation for the purpose of jurisdiction and pleader's fee is calculated at Rs.200/-

8. The plffs claim the following reliefs :-

(1) That plffs be declared to be entitled to the alluvian of 20 gunthas marked as A B C D in the map annexed to the plaint.

(2) That Deft, its officers, agents and servants be restrained by perpetual injunct on not to interfere or in any way obstruct plffs use and occupation of the al uvian until it exceeds 1 acre in area.

(3) That costs of this suit suit be awarded .

(4) That any such other reliefs be granted as plffs may found to be entitled to on the pleadings.

It is therefore prayed that the Court be pleased to pass a decree for the plffs accordingly.

No 1245 of 1953
23.9.1953.

Respectfully forwarded to the Revenue Advancer of Legal Affairs.

The amounts claimed in ~~Bill of~~ Bill of Contingent charges are correct

The amounts claimed in bill of fees are also correct. There is a however a small discrepancy. In Dasturast No ~~406~~ 100/1952 the total amount of costs including pleaders fee is taked as Rs 12-8-0 The Subcourt pleader has shown Rs 11-5-0 as Contingent charges and Rs 1-4-0 as fee in respect of this Dasturast. This comes to Rs 12-9-0 Thus there is a small discrepancy of 0-1-0.

Thus the bills may be passed (ignoring the small discrepancy of 0-1-0 referred to above) or in respect of Dasturast No ~~406/1948~~ 100/1952 one anna may be ~~deducted~~ deducted either in the bill of Contingent charges or in the bill of fees

Visited the suit properties in the company of the learned Government pleader, the Assistant Government pleader and the pleader for the plaintiff to-day, the 27th instant at 12 noon. The V.O.S., the ~~Civil Judge~~ C.J.I were present.

.....

(1) The brook or Nala in suit appeared to me like a valley near the S.E. of the plff and the lands of a few others. It is very steep near plff's land.

(2) The bushes, the trees and bamboo are growing at the bankoftheNala and in the Nala itself here and there. There were 2 babool trees at the bank towards plff's land and they appeared to me pretty old.

(3) As both the ends of the bank are of a great height, they appear like big dams.

(4) The plff has put some stones at the western end of hisland near the bank of the nala or in the nala and the width of the Nala is very narrow at the said spot.

(5) No damage will be caused to any one if the Nala is left in the present state as the height of the bank is very great near plff's land. Plff has put a hedge of the shrubs at thebank of the Nala.

(6) It is only a question of encroachment if the plff is in possession of any Government land or the portion of Nala.
